## La unidad RMA participa en MRIBERIAN LABS

18/11/2024

El próximo 20 de noviembre, nuestro compañero Balbino Yague participa en la tercera edición de la MRIBERIAN LABS evento organizado por la International Society of Magnetic Resonance in Medicine (ISMRM) Iberian Chapter donde los distintos laboratorios del chapter exponen los trabajos que actualmente se están haciendo en sus laboratorios y/o unidades.

Pueden seguir el evento en el siguiente enlace, [meet.google.com/eyd-vetf-hrp](https://meet.google.com/eyd-vetf-hrp)

The screenshot shows the agenda for the MRIBERIAN LABS 3rd edition event. The agenda includes the following sessions:

- h 15:00** - **14:00**: **Silvia De Santis**, Chair of the ISMRM Iberian Chapter. Welcome and introduction.
- h 15:10** - **15:14**: **Balbino Yague**, University of Granada. Professor in MRI Faculty.
- h 15:15** - **15:20**: **Frederico Severo**, Champalmaud Research Foundation. Overview of the Preclinical MRI Lab.
- h 15:20** - **15:25**: **José Callejo**, CINEICC. Visual neuroscience.
- h 15:40** - **15:45**: **Eduardo Serra**, Instituto Investigaciones Biomédicas Salio-Moreale. General changes underlying obesity development.
- h 15:50** - **15:55**: **Silvia De Santis**, Instituto de Neurociencias Alicante. Dr. De Santis: Obesity and regeneration.
- h 16:00** - **16:05**: **Andrade Janus**, Algarve Biomedical Center/Champalmaud Foundation/King's College London. dMRI: from imaging to dMRI.
- h 16:10** - **16:15**: **Erick J Canales-Rodríguez**, Lausanne University Hospital/Center for Biomedical Imaging/Swiss Federal Institute of Technology. Brain microstructure, dMRI, myelin water imaging.
- h 16:20** - **16:25**: **António Lopes-Veiga**, Laboratorio de Procesado de Imagen, Universidad de Valladolid. Diffusion MRI.
- h 16:30** - **16:35**: **Rita Gil**, Champalmaud Research Foundation. dMRI: from imaging to dMRI.
- h 16:40** - **16:45**: **Diego Henrique**, University of Wisconsin. Quantitative MRI of the Body.
- h 16:50** - **16:55**: **José M. Martínez**, Donders Centre for Cognitive Neuroimaging, Radboud University. Quantitative MRI.
- h 17:00** - **17:05**: **Ventura-Antoniela Vidamarit**, Clínica Universidad de Navarra. Quantitative MRI.
- h 17:10** - **17:16**: **Silvia De Santis**, Chair of the ISMRM Iberian Chapter.
- Rita Gil**, Student representative of the ISMRM Iberian Chapter. Consulting remarks.

Other details shown on the screen include the meeting link ([meet.google.com/eyd-vetf-hrp](https://meet.google.com/eyd-vetf-hrp)), the date (Wednesday 20th of November 2024), and the time (15:00 ES/14:00 PT). The event is moderated by Rita Gil from Champalmaud Research Foundation, Lisbon.
